

# 'Lecture On Location' at Evonik

*In alignment with leading membrane  
associations in Europe*

March 21-22, 2018

# 'Lecture On Location' at Evonik

The NMG proudly presents that our next LOL-event (Lecture-On-Location, or 'Lezing Op Locatie' in Dutch) is hosted by Evonik

Since 2008, Evonik has been developing membranes for solvent and gas separation. The specialty chemicals company offers comprehensive gas separation solutions and superior solvent stable membranes combined with customized process engineering solutions.

*Please note the following date in your agenda*

**March 21-22, 2018**

**Wednesday**

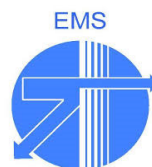

**Reception at Marl, Feierabend Haus, IC, Lipper Weg 201, 19:00-21:00**

**Thursday**

**LOL at Marl, Feierabend Haus, IC, Lipper Weg 201, 9:30-16:00**

Nederlands Membranengenootschap

# 'Lecture On Location' at Evonik

## LOL - Program

### Wednesday

19:00-21:00 Reception, drink and buffet, networking

### Thursday **Ressource Efficiency - Membranes at Evonik**

9:00-9:30 Coffee and networking

9:30-9:45 Ressource Efficiency – Membranes at Evonik (Matthias Kottenhahn)

9:45-10:15 Membranes at Evonik: Overview and Current Business  
(Goetz Baumgarten / Christian Schnitzer / Jörg Balster)

10:15-10:45 Presentation (6x max 5 minutes per society)  
EMS / BMG / DGT / Dechema / NMG

10:45-11:00 Break

11:00-11:30 Next Generation Hollow Fiber Membranes  
(Peng Kah Lee / Werner Escher)

11:30-12:00 Role and Function of Process Engineering (Peter Kreis)

12:00-12:45 Lunch

12:45-14:45 Lab and R&D Centre Tour (Peter Kreis / Oliver Conradi)

14:45-15:15 Corporate Research on Membrane technology (Oliver Conradi)

15:15-15:30 Closure

15:30-16:00 Drinks and networking

**Address:** Paul-Baumann-Straße 1, 45772 Marl, Germany

Wednesday: Parking at Feierabend Haus, Lipper Weg 201 or across the road

Thursday: Parking at Feierabend Haus, Lipper Weg 201 or across the road
